## European PhD Network "Insect Science" - XIII Annual Meeting

Firenze, 16-18 November 2022

### **SAVE THE DATE**

### **16 – 18 November 2022**

The 13th Annual Meeting of the European PhD Network in “Insect Science” will be held in Firenze from Wednesday 16 to Friday 18 of November 2022.

The Annual Meeting of the European PhD Schools in Insect Science is an established tradition addressed to all doctoral and post-doctoral students in the field of entomology and related subjects. The meeting is organised by the Società Entomologica Italiana and the Accademia Nazionale Italiana di Entomologia.

The meeting will take place at the headquarters of the Accademia Nazionale Italiana di Entomologia c/o CREA Cascine del Riccio Firenze.

The meeting will be structured in sessions, which will be defined later, based on the abstracts we will receive, covering a broad range of themes. Presentations will be oral (10-15 minutes depending on the number of presenters) or posters, which will be introduced by a short presentation (3-5 minutes).

The number of participants is limited. In case the registrations exceed this limit, priority will be given on a first come first served basis.

In case of restrictions imposed by COVID pandemic, there will be the possibility to attend remotely the whole meeting.

More details to come in September.

Looking forward to meeting you in Firenze.

The organizers

(Andrea Battisti, Morena Casartelli, Eric Conti, Franco Pennacchio)
